

# Village of Spencer

May 2019

## Wastewater Backups

The Village has implemented a new system to try and reduce wastewater backups in residents' homes. Increases of heavy rainfall events over the past several years, combined with the age of our pipes and manholes, has led to a significant increase in rainwater getting into our system. At times, the system simply can't keep up.

In 2015, the Village hired an engineering firm to do a Village wide assessment of the collection system in the hopes of identifying a solution. Unfortunately, the assessment concluded that the entire system was in roughly the same shape and no easy fixes were identified.

In 2016, the Village had an engineering firm evaluate options for rerouting a sewer line around Land O'Lakes. This was an attempt to eliminate the liability associated with the existing line under their building, and to increase the capacity of the system in an effort to reduce/eliminate the problems of wastewater backups. The best option identified had an estimated cost of \$547,000. While this is an affordable amount of money from a wastewater perspective, it does not include the cost of associated road repair. Previously, the Village had looked at a road project in an overlapping area with a price tag of roughly \$1.8 million. Without significant grant money, the Village can't afford to do the street project; therefore, the wastewater project has been put on hold.

In 2018 the Village installed a manhole monitor that would send an early warning when a potential backup would occur. This spring, when that monitor alarmed, we called in wastewater haulers to take waste directly out of manholes, to bypass the collection system and prevent backups. This was our first use of this system and the response as not as fast as we had hoped for. We have changed our procedures to ensure an earlier response. It is our goal to use this system to prevent wastewater backups in residents' homes.

## How You Can Help

First, if you do experience a wastewater backup you should consider removing or plugging your floor drain. Second, all residents should eliminate clear water connections. Sump pump, roof drain, and foundation drain connections to the wastewater system are prohibited in the Village Code of Ordinances. Property owners that don't experience wastewater backups may be contributing to their neighbor's problems without realizing it. Another thing to consider is to add sump pump failure and sanitary sewer backup insurance riders if they are not already included in your regular insurance policy. Most important, we need you to report basement backups of all types. If we are unaware of the problem, we can't try to fix it.

## No Grass in the street!

Blowing lawn clippings into the street is against our Village Ordinances. Grass clippings blown into the street end up in catch basins reducing the ability for storm water to properly flow. This can increase yard flooding, since yard drains also connect to the system. Grass clippings in the street also cost the taxpayers money. Once grass clippings enter into our storm water system, the Village needs to hire a company to vacuum out the catch basins. Please be mindful when you mow to prevent grass from getting into the street.

## VILLAGE BOARD MEETING DATE CHANGE FOR JUNE

The June Village Board Meeting will be held on Thursday, June 13, 2019. This change in the meeting date is for the month of June only.

**NO WIPES DOWN THE PIPES!  
EVEN IF A PRODUCT SAYS IT IS  
"FLUSHABLE" IT IS NOT.  
UNLESS IT IS TOILET PAPER, IT SHOULD NOT  
BE FLUSHED!**

Do not flush diapers, disposable wipes, paper towels, feminine hygiene products, and facial tissues.

Putting these items down toilets may plug sewers and cause raw sewage to back up into YOUR HOME.

## SPENCER COMMUNITY GARAGE SALES AUGUST 1ST - 3RD

Spencer will be welcoming many shoppers! Don't miss your opportunity to clean out some unwanted items and make a bit of cash. Let the Village Office know where your garage sale will take place and which dates and times you will have your garage open to the bargain hunters by July 26th. Maps will be created and available for you to pick up at the Village Office a few days before the event.

**THERE WILL BE NO ELECTRONICS DROP-OFF  
EVENT THIS YEAR. PLEASE TAKE YOUR  
ITEMS TO A RECYCLING CENTER!**

## CURBSIDE BRUSH & GARDEN WASTE PICKUP/ CHIPPING GUIDELINES

These guidelines have been prepared in order to efficiently and effectively provide brush pickup/chipping services for residents of the Village of Spencer. This program is intended for the disposal of residential amounts of limbs/branches that are removed during normal maintenance and upkeep only. Brush is not accepted from surrounding areas.

The Village WILL NOT pick up brush from lot clearing activities or from the removal of trees. Contractor-cleared brush or trees will NOT be picked up. It is the contractor's or resident's responsibility to dispose of this. It can be transported to the Village compost facility, or you may check the Yellow Pages under "tree service."

Garden waste must be in CLEAR BAGS only. Colored bags WILL NOT be picked up.

The village crew will answer any questions you have while they are at your residence. If you are unable to speak with the crew, please call the Clerk's Office at 715-659-5423 or the Public Works Department at 715-659-5443 with questions.

### SCHEDULE:

· Brush pickup/chipping will occur on the FIRST and THIRD Monday of the month April -Sept. weather permitting. All brush must be curbside by 7 am on the day of the scheduled chipping or brush pickup. The village crew will not pick up brush in alleys. The crew will not cross or enter private property to pick up brush. Brush that is not curbside by 7 am will not be picked up until the next scheduled pickup date. In order to maintain the schedule, crews WILL NOT return for special pickups.

### PILING BRUSH:

These guidelines must be followed. If brush piles do not meet these guidelines, the brush/limbs will not be collected until they meet the guidelines.

· Brush must be SECURELY bundled – bundles not more than 6 feet long & 6 inches in diameter and no more than 65 pounds. Pile brush/branches with the cut end toward the road, all in the same direction, and pile as loosely as possible so that brush is easy to handle and pick up. Keep brush away from mailboxes, telephone poles, etc.

· Stumps, root balls, roots, rocks, rubbish, construction material, dimensional lumber, or metal WILL NOT be collected.

If there is major storm damage, the village crew will chip brush from storm-damaged trees. The Village Board will determine and announce emergency storm-related brush collections. Attention to these guidelines is greatly appreciated by both residents, neighbors, and the village crew. These guidelines will keep the Village looking great.

## SUMMER ORDINANCE REMINDERS

**Open Burning** is now permitted without a Burn Permit as long as the size of the pile of material to be burned does not exceed four feet in any direction measured horizontally or three feet measured vertically.

**Unlawful Dumping on Streets, Chapter 418-14** It shall be unlawful for any person to deposit or cause to be deposited, dump, sort, scatter or leave any rubbish, stone, wire, earth, ashes, cinders, sawdust, hay, glass, manure, filth, paper, snow, ice, dirt, grass, leaves, construction waste, garbage or other offensive or noxious material in any public street, sidewalk, alley, or upon any public property or upon any property of another, without the express permission of the owner or occupant thereof.

**Regulation of Length of Lawn and Grasses, Chapter 271-5** Public nuisance declared. The Village Board finds that lawns, grasses and noxious weeds on nonagricultural lots or parcels of land, as classified under Chapter 480, Zoning, of the Code of the Village of Spencer, within the Village of Spencer which exceed eight inches in length adversely affect the public health and safety of the public in that they tend to emit pollen and other discomfiting bits of plants, constitute a fire hazard and a safety hazard in that debris can be hidden in the grass, interferes with the public convenience and adversely affects property values of other land within the Village. For that reason, any nonagricultural lawn, grass or weed on a lot or other parcel of land which exceeds eight inches in length is hereby declared to be a public nuisance.

**Junk Vehicles, Chapter 456** No disassembled, inoperable, unlicensed, junked or wrecked motor vehicles, truck bodies, tractors, trailers, farm machinery, vehicle parts or tires, or appliances shall be stored upon private residential property or unenclosed within a building upon nonresidential property within the Village of Spencer for a period exceeding 10 days unless it is in connection with an authorized business enterprise located in a properly zoned area maintained in such a manner as to not constitute a public nuisance. See the complete ordinance book online

at [spencerwi.org](http://spencerwi.org) for more information.

**EMS WEEK-BIKE RODEO  
MAY 20<sup>TH</sup>**

**Spencer Fire Station**

The Spencer Fire/Ambulance members are having a bike rodeo for children and parents in the community on Monday, May 20<sup>th</sup>, at 5:30 p.m. (Ride @ 6:00 p.m.).

Helmets and bikes are donated for the event. The purpose of the event is to give back and educate our community on bike safety.

The bike rodeo, depending on the weather, will follow the ambulance staff's distribution and fitting of helmets to all children & parents in need of one, at no cost to all participants. Several bicycles, will be raffled off. Everyone attending can participate in the raffle for free.

The bike rodeo starts and ends at the fire station. The Spencer Police Department will help to keep all riders safe. There will be cupcakes and water at no cost available at the station after the rodeo is completed. Additional food will also be available for purchase.

**CodeRED**

You may have received a phone call last month concerning the change in garbage pickup due to the icy weather. If you did not get called, you can still sign up to receive calls, text messages, and/or emails from the Village. To do so, logon to [spencerwi.org](http://spencerwi.org) and click the CodeRED Button near the top of the page. This will take you to a signup page by the company that the Village is working with. All information you enter is confidential and the Village will never share your phone number.

**DOG OWNERS**

Remember to get your dog(s) licensed! Bring your rabies vaccination certificate in to the Village Office. The charge is \$5 for dogs that are spayed or neutered or \$10 if they are not.

Ordinance Chapter 172-8 The owner or person in charge of any dog or other animal shall not permit solid fecal matter of such animal to deposit on any street, alley or other public or private property, unless such matter is immediately removed therefrom by said owner or person in charge. This section shall not apply to a person who is visually or physically handicapped.

Not following this ordinance could result in you receiving a \$124.00 fine.

**ALSO - ANIMAL FECES ARE NOT ALLOWED TO BE DUMPED IN THE COMPOST SITE!**

**MESSAGE FROM THE VILLAGE PRESIDENT**

As I write this, it is dreary---cold, rainy and windy. But soon it will be sunny and warm as summer comes our way.

With summer also comes activities and events in Spencer. Just read through this newsletter or pick up a copy of the Village Voice to learn what is being offered by the Tack Center, Spencer Schools, Spencer Public Library, Spencer Community Boosters, the Fire/EMT's and the churches to name some organizations.

I would be remiss if I did not invite everyone of you to attend our biggest community event, "Spencerama Days", June 7th, 8th, and 9th.

Spencer is a great little town; enjoy what it has to offer.

## LIBRARY NEWS

Come and check out the Library! There are more than just books to read, so stop in and see what Audrey and Wendy have going on.

The following programs are free, open to the public, no registration required, and question & answer sessions follow the presentations.

On Thursday, **May 16th** from 6:00-7:00 pm, Getting to Know American Muslims. A special presentation by **Amna Malik**, which explores what day to day life is like for a Muslim woman living in central Wisconsin.

On Thursday, **May 23rd**, 6:00-7:00 pm, Myths & Truths, Human Trafficking in Central Wisconsin. Join **Officer Sarah D'Acquisto** from the Wausau Police Department and **Brenda Bayer** from the Women's Community for an informative presentation as they cover what human trafficking looks like in Wisconsin, myths and truths of trafficking, how social media plays a role in recruitment, red flags, and other topics.

On Tuesday, **June 4th** at 9:00 am, Polio Scourge of 1950's. **Rick Lohr**, who went on an Immunization trip to India in 2004 and who has a sister who suffered polio, will present on polio.

On Tuesday, **July 2nd** at 9:00 am, Milk from Farm to Table. **Samantha Solin**, executive coordinator at Progressive Agriculture, will give a presentation on the health benefits of dairy in your diet and she will have recipes to share.

On Tuesday, **Aug. 6th** at 9:00 am, A Journey through Adoption, Story of Hope & Faith. **Adam Schnabel**, a resident of Stetsonville, author of the book "Losing Hope & Finding Faith," will present on his 3 1/2 year journey adopting a child.

Monthly on the 2nd & 4th Wednesday 10:00-11:30 am, is Play & Learn. Children of all ages are invited to use their imagination and creativity! These fun-filled programs feature a different story each week, followed by songs and supplemental activities. 2019 spring/summer dates: 5/22, 6/12, 6/26, 7/10, 7/24, 8/14, 8/28 (future meetings TBA). Free and open to the public. No registration.

A Summer Reading Program will take place in the Lion's Shelter, as follows: June 12th at 10:00 am "Professor Marvel"; June 18th at 10:00 am "Tom Pease"; June 26th at 10:00 am "Journey through the Heavens-The Legends of the Stars".

Summer Reading Program Crafts will also take place as follows: July 1-12 Create Your Own Alien; July 15-19 Rocket Ships; July 21-26 Flying Saucer Bowl; July 28-Aug.2 Torn Paper Planets; and Aug. 5-9 Sensory Bag. Come in and make a craft any time the Library is open.

No adult book club during the summer.

No child story time after May 8th until fall.

Thank you to all that donated, volunteered and attended our largest fundraiser of the year. The Spring Fever dance raised nearly \$12,500 for Spencer Kids Group. It was a great time!

Spencer Kids Group will be opening up at 11AM to accommodate students participating in Spencer's summer school program. If you would like your student to attend SKG after summer school, please contact SKG so we can make arrangements for pick-up.

Meals are made for all youth at noon daily for the summer. Summer Rec will be finalized in the next week. It will run from July 8th-July 27th. Hours for summer rec are 7:45am-noon. Trips planned will include but are not limited to bowling, skating, movies, Wildwood Zoo, Firehouse Ceramics and a Woodchucks game. Summer Rec is for ages 6-12 years old.

SKG will be taking their annual trip to Mt Olympus on July 29th. Watch Facebook for the flyer.

And it's another season gearing up at the Tack! The shows and gallery exhibits don't begin until October, but much is already happening behind the scenes at Spencer's favorite theatre!

If you received your new season brochure and have decided which shows you want to attend, you should be able to hop right onto the website and choose your seats, right? Well, some folks CAN hop right online and buy their tickets. These are the people who had season tickets LAST year and who can renew them before seats to single events go on sale.

How do I get season tickets, you might well ask. It's easy! There are seven events in the LuCille's Vision Series. Choose to purchase tickets for at least FIVE of them. Then select your preferred seat location, subtract your ten percent discount, pay for and print your tickets. You keep the same seats for every show and have first dibs at renewing your package NEXT year!

Starting May 25, all remaining seats can be purchased for any show. The ticket office won't be open for walk-ins until September; but between the website, snail mail and calling the ticket office, the Tack has got you covered. All that's left is choosing which of your best buds to take with you! The Board of Directors invites you to Sail Away with us for another exciting season...at the Tack!
